

Welcome to ABO-Storage Distribution AG

Our **A** is a stand in for Archive-Storage.

A With WORM technology we address the compliance part of modern

Archiving Solutions.

B stands for Backup Solutions.

B Effective and quick restoring of a data loss is a key feature with

SnapShot™ technology.

Online Storage is all your active data.

Highest availability, universal access and simple management are

core of this automation. Controlled transparency for virtualization!

Distributor for Datamanagement Solutions with own Technical Training- and Briefingcenter

Manches glaubt man erst,
wenn man es sieht.
